**INVITATIONS TO TENDER: SAMPLE OF PREVIOUS BIDDER LIST**

**SAMPLE 2 – ENGLISH VERSION**

## **INTRODUCTION**

This is a sample of one of the value-added services available with *China Tender Bulletin*: our analysis of previous tenders.

In order to ensure that it can be read by all computers, we have provided English-only versions of these reports in this document.

This sample relates to an ITT for elevators issued by the Heilongjiang Provincial Government Procurement Centre; a translation of the front page of this ITT can be seen at [www.chinatenderbulletin.com/ctbittfrontpage2eng.pdf](http://www.chinatenderbulletin.com/ctbittfrontpage2eng.pdf). The analysis of previous tenders covers the five most recent invitations to tender for equipment for hospitals by the same organisation: it has only issued five tenders for equipment for hospitals in the past year. It is worth noting that we also conducted a search for ITTs for elevators issued by the Heilongjiang Provincial Government Procurement Centre, but found that this was the only such ITT issued in the past year.
